Parents evenings will take place week beginning 15th October. Times slots will be available for parents to sign up for on Wednesday and Thursday morning and afternoon in the playground. They will also be advertised via Dojo this week. If you do not drop your child off or collect them please advise your class teacher which day and time slot you would like to attend, via dojo. Mrs Smith will be giving her headteachers update during parents evenings and updating parents regarding acadamisation. Governors will be available to talk to during particular times. Therefore, there will be a slightly different format to parents evening and parents will be allocated a time slot to attend all meetings instead of just a meeting with the class teacher. We hope that this will make the evening fully informative.
